

WORKSHOP SUPPORT STAFF (F/M/D)

AMTES GmbH is a growing MRO, providing maintenance for Airbus 320, Boeing 737-CL, 737-NG, 747-400, 747-8F, and 777 as well as AN-124 and IL-76 aircrafts with branches at Airport Leipzig/Halle (LEJ) and Frankfurt/Main (FRA).

We are a rapidly growing company bringing exciting opportunities for the right professional, who thrives on change and who would like to play a part in our growth. For our extended business at we are looking as soon as possible for Workshop Support Staff (m/f/d) to join our team.

Support Staff duties

- To support the maintenance tasks of aircraft components i.e. wheels and brakes. Ensuring the tasks are carried out to the highest possible standards of safety, quality, and serviceability
- Ensure all maintenance tasks i.e. spares handling, etc. are handled strictly according to company procedures and all the relevant paperwork is actioned in a way that provides full transparency to all involved
- Work closely with Component Certifying Staff to maintain a seamless flow of information in order to detect and address any issues that might be disruptive to the operation
- Work with technical documentation for used equipment and have skills and carry out processes described in this documentation

Your profile

- School degree or higher (equivalent)
- Experienced in working with different tools and equipment
- Independent, structured, and result-oriented working methods
- To be able to work full time in Germany
- Confident use of MS Office

Please send us your application documents to hr@amtes.de.
